

TROY PRODUCTS

INSTALLATION INSTRUCTIONS

Aug 6, 2015

Revision 0

*A division of Troy Sheet Metal Works, Inc.
1024 South Vail Avenue, Montebello, CA 90640
www.troyproducts.com 800 700-8769*

Part No: CC-A-S12

Description: 12" two piece console

Vehicle: All

Model year: All

I.) Install Troy floor plate:

Note: Please follow installation instruction provided with your Troy Products floor plate.

II.) Install Troy Console:

- 1.) Place console on floor plate and align console slot end holes with slot end holes on floor plate.
- 2.) Start 3/8-16 nut onto carriage bolt threads and insert bolt head through console slot and floor plate slot so carriage bolt faces up. Slide carriage bolt to center of slot. Repeat for all (4) carriage bolts.
- 3.) Move console to desired position, position bolts at the center of the slots and securely tighten all fasteners.

III.) Adjust console height:

- 4.) Remove (8) ¼-20 bolts, adjust console top portion to desired height and re-install bolts.
- 5.) Securely tighten all fasteners.

Your installation is now complete. If you have any questions or suggestions for adding additional instructions, please call **Customer Service at (800) 700-8769.**
